Rooted In Faith, Forward in Excellence, Committed to Service

Welcoming Scholars in Fall 2017

Vision

Our vision as a Christ-centered educational community in the charism of Saint Jeanne de Lestonnac is to form youth in faith, with a critical mind and with a love of learning. This will prepare them to be instruments in the transformation of society according to Gospel values

Mission

The mission of Saint Jeanne de Lestonnac Catholic High School is to prepare youth and young adults in faith who are leaders at the service of others. We strive to educate the whole person through a program marked by academic rigor in an environment that fosters the responsible exercise of personal liberty, a sense of the wider community and active compassion for others.

Education Beyond Borders

"WHAT YOU SEE WITH YOUR EYES TOUCHES YOUR HEART"

"Exchanges between different Company of Mary schools, getting to know different realities, doing volunteer work, learning and perfecting other languages, as well as sharing knowledge and experience help us feel part of a community that goes beyond its own borders."

(Company of Mary International Educational Project)

Opportunities to study abroad and involvement in mission/cultural programs are provided, not only from an academic perspective, but as life-enriching and transformative experiences.
