

2017-2018 Business Directory

This directory was created to connect our St. Jeanne families with the products and services supplied by our school families, alumni, and community partners.

The businesses reflected in this directory give back to our school and local community in so many wonderful ways.

Please utilize these businesses as much as possible for any purchase of products or services that you may need. Referrals are always appreciated as well!

If you have a business and would like to be a part of this directory, the application form is located on RenWeb.

Thank you very much!!

Mrs. Mora and Sister Earnestine

This directory is organized by type of service/product (please see Table of Contents below).
An index of businesses is also available on the last page.
